

Florida Council on Aging

Charlie was elected District Five Representative to the Florida Council on Aging Board of Directors. This organization is committed to serving Florida's diverse aging population through education, information-sharing and advocacy. The FCOA core values are:

Advocacy: Committed to speaking and acting on behalf of the issues facing Florida's diverse older adult population.

Communication: Committed to open and honest dialogue among its members, elders and other professionals working with older adults.

Excellence: Committed to promoting excellence in professional standards, education, and innovation.

Relationships: Committed to building productive and lasting relationships and collaborative efforts.

Common Ground: Committed to finding the common ground that focuses its concern on older adults.

Integrity: Committed to promoting honesty and accountability among its members and other professionals within the diverse aging network.
